n **Before using the controller (for new vehicle owners)**

An insulating sheet is set to prevent the batteries from being depleted. Remove the insulating sheet before using the remote control.

n **When the controller batteries are fully depleted**

Remove the depleted batteries and install new batteries.

n **Headphones**

With some headphones generally available in the market, it may be difficult to catch signals properly. Lexus recommends the use of Lexus genuine wireless headphones.

Contact your Lexus dealer for further details.

n **Volume**

l Adjust the volume when you connect the headphones to the jack. Loud sounds may have a significant impact on the human body.

l Conversational speech on some DVDs is recorded at a low volume to emphasize the impact of sound effects. If you adjust the volume assuming that the conversations represent the maximum volume level that the DVD will play, you may be startled by louder sound effects or when you change to a different audio source. Be sure to adjust the volume with this in mind.

⚠ CAUTION

n **When the rear seat entertainment system is not used**

Keep the display closed.
In the event of an accident or sudden braking, an occupant may hit the opened display, resulting in injury.

n **To prevent accidents and electric shock**
